Beneficiaries identikit

Let's start to define the beneficiaries profile of the EM2 project!

1. *How many beneficiaries were involved in the project?*
2. *Where do they come from? (which area)*
3. *Which age group do they belong to?*
4. *Which training courses are they following or did they follow?*
5. *Have any of them done or are they doing an internship?*
In which working sectors?
